GAY & BISEXUAL MEN LIVING WITH PROSTATE CANCER
from diagnosis to recovery

EDITED BY
JANE M. USSHER
JANETTE PERZ
B. R. SIMON ROSSER

“Required reading for urologists and oncologists who treat gay and bisexual men as well as for mental health practitioners. I would also recommend it to gay men contemplating treatment for prostate cancer and to their husbands and/or sexual partners as well.”
—Jack Drescher, MD, Clinical Professor of Psychiatry, Columbia University College of Physicians and Surgeons

“The challenges for gay and bisexual men with prostate cancer have remained poorly described for years—until this book.”
—Anne Katz, Editor, Oncology Nursing Forum

“The definitive book covering the pioneering research that has helped make visible the specific needs and experiences of gay and bisexual men with prostate cancer.”
—Anthony Lowe, chief executive officer, Prostate Cancer Foundation of Australia
