

Forthcoming:

***Queer Identities and Politics in Germany* by Clayton J. Whisnant
from HARRINGTON PARK PRESS**

Germany in the late nineteenth and early twentieth centuries witnessed key developments in LGBT history, including the growth of the world's first homosexual organizations and gay and lesbian magazines, as well as an influential community of German sexologists and psychoanalysts. *Queer Identities and Politics in Germany* describes these events in detail, from vibrant gay social scenes to the Nazi persecution that sent many LGBT people to concentration camps.

Clayton J. Whisnant recounts the emergence of various queer identities in Germany from 1880 to 1945 and the political strategies pursued by early homosexual activists. Drawing on recent English and German-language scholarship, he enriches the debate over whether science contributed to social progress or persecution during this period, and he offers new information on the Nazis' preoccupation with homosexuality. The book's epilogue locates remnants of the pre-1945 era in Germany today.

ABOUT THE AUTHOR:

Clayton J. Whisnant is Associate Professor of History at Wofford College in Spartanburg, South Carolina, where he teaches a range of courses in twentieth-century European history. His first book was *Male Homosexuality in West Germany, 1945-1969: Between Persecution and Freedom*.

ABOUT HARRINGTON PARK PRESS:

Formerly an imprint of The Haworth Press, Inc. (now part of the Routledge/Taylor & Francis Group), HARRINGTON PARK PRESS, LLC has been relaunched as an independent publisher of scholarly and academic books in the area of gender / LGBTQ studies by founding publisher Bill Cohen. It is distributed internationally by Columbia University Press.
