

CHAPTER 8

Substance Use among Transgender Sex Workers

*Beth R. Hoffman*¹

¹ Associate professor in the Public Health Department at California State University, Los Angeles.

SUMMARY

The last chapter showed that sex work among transwomen is strongly associated with measurements of substance use; however, systematic reviews of these associations have not been provided in the literature. This chapter presents a review of this literature.

KEY TERMS

depression; sex work; stigma; substance use; transwomen; violence
